BULK OWNERS' ALTERATION AGREEMENT
Section 98 of the Condominium Act, 1998

B E T W E E N:

The Unit Owners Listed in Schedule "B"
(individually a "Unit Owner" and collectively the "Unit Owners")

- and -

Toronto Standard Condominium Corporation No. 2743
(the "Corporation")

WHEREAS the Unit Owners have requested the consent of the Corporation's Board of Directors for additions, alterations or improvements made or to be made to the common elements described in the attached **Schedule "A"** (collectively called the "**Modifications**");

AND WHEREAS the Board of Directors of the Corporation has consented to the Modifications listed in this Agreement pursuant to section 98 of the *Condominium Act, 1998* (the "**Act**"), subject to compliance with this Agreement and the Corporation's declaration, by-laws, and rules;

AND WHEREAS the Corporation has devised a process to grant approval prospectively for Modifications to multiple units in a single agreement to be registered as a single registration in a streamlined, economical, and "bulk" basis;

NOW THEREFORE THIS AGREEMENT WITNESSETH that, in consideration of the Corporation's consent to the Modifications and the mutual covenants contained herein, the Unit Owners and the Corporation agree that the Unit Owners may alter the common elements through the Modifications on the following terms:

1. The Unit Owner shall comply with all conditions specified by the Corporation for installation and completion of the Modifications as listed in or contemplated by this Agreement, Schedule "A", or otherwise.
2. The Modifications shall be completed in a workmanlike and expeditious manner using properly qualified and licensed (where required) personnel. The Unit Owner shall comply with all laws, regulations, zoning by-laws, Fire Codes and Building Codes applicable to the Modifications in relation to their installation, use, operation, maintenance, repair and removal and obtain all necessary permits and approvals required to make such Modifications, all at the Unit Owner's sole cost. The Unit Owner shall also comply with the Corporation's declaration, by-laws and rules as they relate to the Modifications, including provisions related to noise, nuisance and quiet enjoyment of the property.

3. The Unit Owner represents and warrants that the construction and/or the existence of the Modifications shall not affect the structural integrity of the Unit or any other unit or the common elements, or adversely interfere with the plumbing, heating, electrical, other utilities, mechanical fixtures, equipment or systems servicing other units or the common elements. The Unit Owner further represents and warrants that all necessary measures will be taken during the construction of the Modifications to minimize any noise, vibration or interference caused by construction. The Unit Owner shall comply with the Corporation's declaration, by-laws, and rules as they relate to the Modifications, including provisions related to noise, nuisance, and quiet enjoyment of the property.
4. Each Unit Owner represents and warrants that the individual cost of their Modifications made at any one time are less than one percent (1%) of the Corporation's annual budget and/or that the Modifications are otherwise exempt from notice under section 97 of the Act. Where the Modifications are made to part of the common elements of which the Unit Owner has exclusive use, the Unit Owner confirms that subsection 98(2) of the Act shall be complied with.
5. Ownership of the Modifications shall remain with the Unit Owner. The Modifications shall not be considered as a fixture or part of the common elements and shall be considered an improvement to the Unit. The Unit Owner acknowledges and understands that the common elements are the property of the Corporation and that, despite this Agreement, if it is necessary to alter, relocate or remove the Modifications for the Corporation to carry out its duties under the Act, the Corporation's governing documents or any other applicable legislation, code or regulation relating to the Modifications or underlying common elements, or due to breach of this Agreement, this Agreement does not guarantee that the Modifications may be reinstalled in the form approved by this Agreement or at all. In that case, the Corporation may insist that the Unit and common elements be returned to their "pre-Modification" or "original" state by reference to a comparable unit and its appurtenant common elements on the property to which no Modifications have been made or as the Corporation may direct, at the Unit Owner's sole cost. Unit Owner shall have no claim against the Corporation if the Modifications cannot be reinstalled due to future circumstances or their breach of this Agreement.
6. If the Unit Owner fails to maintain and repair the Modifications or abide by the conditions imposed at the Corporation's reasonable discretion, the Corporation may cause the Modifications to be maintained or repaired and charge the cost of that work to the Unit Owner as a common expense or, at the sole discretion of the Board, order the removal of the Modifications or any part thereof at the Unit Owner's sole expense.
7. If the Unit Owner violates an order by the Corporation to remove the Modifications or any portion thereof within fifteen (15) days of receipt of written notice, the Corporation may undertake the removal of the Modifications and the

Unit Owner hereby consents to this removal and agrees to pay all costs associated with removal of the Modifications and remediation of the common elements.

8. If the Modifications obstruct access by the Corporation, its management, employees, or agents to any part of the common elements or units or if the Modifications interfere with the duties of the Corporation, the Unit Owner agrees and consents that the Corporation shall be allowed access through, on or over the Modifications to carry out the duties and obligations imposed upon the Corporation by its declaration, by-laws and rules, the Act, and any other applicable laws, provided that:
 - (a) If it is necessary, in the Corporation's reasonable discretion, for the Corporation to remove or dismantle the Modifications to allow the Corporation to carry out its duties, the Corporation shall give notice to the Unit Owner and the Unit Owner shall remove or dismantle the Modifications at the Unit Owner's sole cost. In an emergency or if the aforementioned notice has been given to the Unit Owner who fails to remove or dismantle the Modifications in the reasonable time as specified, the Corporation may remove or dismantle the Modifications and the Unit Owner shall reimburse the Corporation for the cost. The Unit Owner shall further be responsible for the subsequent replacement or reconstruction of the Modifications, if feasible, at their own cost or the restoration of the common elements if necessary. The Unit Owner shall have no claim against the Corporation if the Modifications cannot be reinstalled due to future circumstances or their breach of this Agreement;
 - (b) Any additional costs incurred by the Corporation to remove or dismantle the Modifications, including costs to carry out any necessary maintenance and repair to common elements, shall be paid by the Unit Owner as a contribution to common expenses;
 - (c) The Corporation undertakes to provide at least 24 hours' notice of a request for access through, on or over the Modifications or for their removal or dismantling under this provision except in an emergency as determined by the Corporation acting reasonably; and
 - (d) The Unit Owner may not unreasonably obstruct or interfere with such access the Corporation or its representatives may require and request and shall cooperate fully in granting such access.
9. If the Corporation removes the Modifications under this Agreement for whatever reason, no member of the Board, its condominium management provider and condominium manager, the Corporation or its agents and employees shall be responsible for any inconvenience, loss, cost or damage the Unit Owner may suffer.

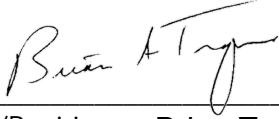

10. If a construction lien is claimed or registered against the units and common elements of the Corporation because of the Modifications, the Unit Owner shall immediately remove such lien, failing which the Corporation may, at its option, obtain a discharge of the lien by paying the amount claimed under the lien into court by posting a bond or by any other available method and such payment and any other costs incurred by the Corporation, including all legal costs and disbursements related to the lien as determined on a complete indemnity basis, shall be paid by the Unit Owner as a contribution to common expenses for the Unit.
11. This Agreement is not effective until it is registered on title to the Unit by the Corporation and at the Unit Owner's expense. Unit Owner hereby authorizes and directs the Corporation's lawyers to register this Agreement on title as a notice under section 71 of the *Land Titles Act*.
12. The registration of this Agreement, and the interests created by it, may be discharged or deleted from title by the Corporation unilaterally when the Agreement terminates. The Land Registrar is authorized to delete this Agreement from title and discharge the interest upon application of the Corporation alone, with no further consents or approvals required.
13. If this Agreement terminates for any reason other than in the following paragraph, the Unit Owner is responsible for the cost to discharge this Agreement from title to the Unit.
14. This Agreement terminates if the Corporation undertakes any repair or replacement of its common elements that requires or results in removal or destruction of the Modifications and, if after such work is completed, the Corporation decides, in its absolute discretion, to deny restoring the Modifications. After notifying the Unit Owner of its decision to deny restoring the Modifications and that this Agreement is terminated, the Corporation may discharge or delete this Agreement from title to the Unit unilaterally and at its own cost.
15. The Unit Owner understands that this Agreement shall, while it remains in force, be noted in and attached to any status certificate issued by the Corporation regarding the Unit, along with a statement as to whether this Agreement is complied with. Upon a request for a status certificate, the Unit Owner consents to an inspection of the Modifications to confirm compliance with this Agreement. The Unit Owner agrees to pay a reasonable administrative fee to the Corporation for the inspection. The fee is to be set by the Board from time to time, in its sole discretion, acting reasonably. The Corporation is hereby authorized to access the Unit and/or the common elements appurtenant thereto for purposes of the inspection at any time.

16. If the Unit Owner commences making the Modifications contemplated by this Agreement, or has completed them, prior to receiving the consent of the Corporation and, where applicable, prior to the requirements of section 98(1)(c) of the Act being met, such Modifications have been made at the Unit Owner's own risk. If the consent of the Corporation is not granted or if the requirements of section 98(1)(c) of the Act are not fulfilled, the Unit Owner shall immediately remove the Modifications and return the common elements affected by the Modifications to their original state at the Unit Owner's sole expense, failing which this Agreement shall apply as if the Corporation had ordered the removal of the Modifications under its rights herein.
17. The Unit Owner shall reimburse the Corporation for any increase in the Corporation's insurance premiums for insurance coverage or for any deductible paid by the Corporation under its insurance policies resulting from the Modifications.
18. The Unit Owner must obtain and maintain insurance coverage, including liability insurance, on the Modifications at the Unit Owner's own expense. A copy of such policy shall be provided to the Corporation within twenty-one (21) days of request.
19. The Unit Owner shall indemnify and save harmless the Corporation, its Board, its officers, its condominium management provider and condominium manager, its agents and employees from all losses, damages, and costs (including legal costs, disbursements and applicable taxes, determined on a complete indemnity basis), resulting from any obligation to be performed by the Unit Owner, any breach by the Unit Owner of this Agreement, or any claim, suit or proceeding made because of the Modifications, and such losses, damages and costs shall be collected as additional common expenses payable by the Unit and the Unit Owner understands that payment of such additional common expenses can be enforced by a lien against the Unit.
20. During the term of this Agreement, the Unit Owner shall be responsible for any maintenance, replacement, removal or repairs to the Modifications at its sole expense except as otherwise agreed to herein. The Unit Owner shall also be responsible for any damage to the common elements, the Unit, any other units and injury to other unit owners and their guests, other persons, and their property, which are caused by the Modifications or any failure to maintain, repair, replace or remove them.
21. The Unit Owner shall pay all costs in connection with the Modifications and this Agreement, including without limiting the generality of the foregoing, a proportionate share of the costs of this agreement, the costs of preparing the plans and specifications, the cost of any required permits, the costs of the contractor, materials, labour, insurance and any taxes including any increase in municipal realty taxes and the cost of any inspections of the Modifications by a

- contractor or engineer required in the Board's discretion to confirm that all conditions have been satisfied. Except as otherwise set out in this Agreement, the Corporation shall not be responsible for any costs in connection with the Modifications, including the cost of utilities serving the Modifications if applicable.
22. The Corporation shall not be responsible under any circumstances for any repair to the Modifications, subject to the Corporation's right to elect to perform repairs at its discretion at the Unit Owner's cost.
 23. The Corporation may inspect the Modifications at all reasonable times and the owners shall grant such access as is reasonably required.
 24. The Unit Owner agrees to abide by any changes in municipal, provincial or federal laws or the Corporation's documents and policies which may directly affect the Modifications and the safety or security of the Corporation, its property and occupants and visitors.
 25. The Unit Owner releases, indemnifies and saves harmless the Corporation for and from all actions, causes of action, costs, demands or claims of any nature or kind regarding the Modifications. If the Unit Owner fails to pay any cost or perform any obligation set out in this Agreement and if the Corporation undertakes legal action to require payment or compliance by the Unit Owner, the Unit Owner shall pay all legal fees and disbursements on a complete indemnity basis.
 26. If a disagreement arises regarding the application of this Agreement or any part including but not limited to a lease or license fee, the disputing party shall provide written notice to the other of the dispute. If the parties cannot resolve the matter within ten (10) days of issuing notice of the disagreement, the matter shall be referred to mediation under section 132 of the Act.
 27. Any notice given to the Unit Owner shall be given in accordance with subsection 47(4) of the Act. Any notice given to the Corporation shall be given personally to the President or Secretary of the Corporation, given personally or by registered mail to the Corporation's condominium manager, or electronically through a method used by the Corporation in part 47(4)(c) of the Act.
 28. If any term, covenant or condition of this Agreement or the application thereof to any person shall to any extent become invalid or unenforceable, the remainder of this Agreement shall not be affected, and each term, covenant, or condition of this Agreement shall be valid and enforced as permitted by law. No waiver or condonation or any breach of this Agreement shall operate to prevent the Corporation or the Unit Owner from insisting on its rights with respect to any future breach of the same term of this Agreement, any other or continued breach of this Agreement. Time shall be of the essence in the performance of the duties in this Agreement of the Unit Owner and the Corporation.

29. This Agreement and any documents incorporated by reference herein constitute the entire agreement between the parties pertaining to the Modifications and supersede all prior agreements, understandings, negotiations and discussions with respect to the Modifications, whether oral or written. Except as provided in such documents, there are no conditions, representations, warranties, undertakings, promises, inducements or agreements whether direct, indirect, collateral, express or implied made by either party to the other. No supplement, modification or waiver of this Agreement shall be binding unless executed in writing by the parties.
30. Words importing the singular number shall include the plural and vice versa, words importing the masculine gender shall include the feminine genders, and words importing persons shall include firms and corporations and vice versa.
31. This Agreement shall enure to the benefit of and bind the heirs, executors, administrators, successors and assigns of the parties respectively, including all owners of the Unit and such persons shall, upon request of the Corporation, immediately execute a new agreement in the same form and content as this Agreement and deliver same to the Corporation forthwith.
32. This Agreement may be signed in counterparts and facsimile or electronic copies of the signatures are deemed to be and shall count as originals.

In witness whereof the Unit Owners have executed this Agreement on Schedule "B" and the Corporation has executed this Agreement below, attested to by the hands of its authorized signing officers on December 22, 2022.
